***TLEFC Pastoral Search Committee Update:** The Search Committee is planning a virtual senior pastor candidating experience with Tim Beyer. This event will happen on May 15-17. It will be conducted primarily using Zoom, a software program that allows video and audio conferencing for large numbers of people, and also allows people to participate by telephone. Instructions on how to access the Zoom meetings will be sent by email or regular mail to everyone who is a regular attendee of our church. There will also be a test run about a week prior to the event. We are trusting that the Lord will help us all to get an adequate sense of the heart and soul of Tim and his family through the experiences we are providing.
